The Price of a Smile!

What is included in your Initial Investment?

At **MillionSnacks®**, we are bringing smiles to our customers by providing healthy and deliciously different snack food alternatives. To accomplish this, we make sure our franchisees receive the most for their investment dollars.

Your estimated initial investment will range from \$110,000-\$223,000 for an Express Model. A Standard Model ranges between \$133,000-\$302,000. Included in this estimate is low franchise fee of \$2,000, three months of working capital and expenses such as insurance, utilities, retail rental space, product inventory, signage, computer hardware, POS system, and Kitchen equipment.

Your total investment also includes:

- Access and Usage of our Corporate Branding and Marketing Programs
- An Exclusive Territory
- Pre-opening and post-opening assistance for your **MillionSnacks®** business.
- Exclusive **MillionSnacks®** Operations Manuals
- A comprehensive 4-day initial training program that covers every aspect of running your own **MillionSnacks®** business.
- Experienced Ongoing Support and Training
- Access to our Preferred Vendors and Product Suppliers
- Bookkeeping and Accounting so you can concentrate on running your business.
- Continual access to new **MillionSnacks®** menu items and research

At **MillionSnacks®**, we strive to be the best franchise opportunity. In these uncertain economic times, the **MillionSnacks®** Mission is to provide a realistic and obtainable franchise opportunity that you can afford and will give you the most for your investment.
